
Product Information**N° 523**

Publication: External

Date: 15/06/2020

Product line: General

Product: Water & Energy meters

Author: Raphael SCHERTZINGER

Information: Overall Information

Version 1

Details: IMS - Impact on MID for meters

The new Integrated Management System (IMS) on Diehl Metering level will support

- Harmonized processes on Diehl Metering level
- High quality management in link with International and European Standards
 - o ISO 9001 (Quality)
 - o ISO 14001 (Environment)
 - o MID (water, thermal energy)

As our MID manufacturing approval (Module D) was renewed, we have some changes on Water & Energy meters:

1. Changes on meter marking
2. Modification on UE declaration

1. Changes on meter marking

- One unique approval laboratory number for all Diehl Metering products-> LNE : 0071 labelled on the meter
- One unique manufacturer address(*) :
Diehl Metering GmbH
Donaustraße 120
DE-90451 Nürnberg
